CLINICAL INTERESTS

- Athletic and Performance Enhancement
- Stress and Anxiety Disorders
- Cognitive Behavior Therapy
- Outward Bound
- Rehabilitation Psychology
- Rational Emotive Behavior Therapy
- Behavior Therapy
- Animal Assisted Therapy

RESEARCH INTERESTS

- Athletic and Performance Enhancement
- Competence Induction Techniques
- Implementation of Treatments and Therapy
- Animal Assisted Therapy

LICENSURE

Licensure in the State of Michigan-2014

License Number: 6301016141

Licensure in the State of Arizona-2007

License Number: 3929

Licensure in the State of New Mexico-2007

License Number: 0993

Licensure in the State of Colorado-2007

License Number: 3060

Licensure in the State of Missouri -2005

License Number: 2005009466

EDUCATION

Hofstra University-Hempstead, NY

Doctorate of Philosophy with Distinction, Clinical and School Psychology- 2004

Masters of Arts with Distinction, Clinical and School Psychology- 1999

Northern Arizona University- Flagstaff, AZ

Post Doctorate- September 2007-December2007

University of New Mexico-Albuquerque, NM

Post-Baccalaureate-May 1996-August 1998

Tulane University-New Orleans, LA

Bachelor of Arts, Psychology-May 1996

RATIONAL EMOTIVE BEHAVIOR THERAPY CERTIFICATIONS

Supervisory Certificate Program –2003

Treatment of Addictions Practicum- 2003

Child and Adolescent Therapy Practicum- 2002

Advanced Certificate Program at the Ellis Institute- 2001

Primary Certificate Program at the Ellis Institute- 2001

HONORS & CERTIFICATIONS

Association for Applied Sport Psychology (AASP) Fellow, 2016 to present
National Collegiate Athletic Association (NCAA) Health and Safety Speaker Registry, 2011 to present
United States Olympic Sport Psychology Registry, 2008 to present
Association for Applied Sport Psychology Certified Consultant, 2008 to present
Certified in Critical Incident Stress Management (CISM), 2009
Community Emergency Response Team (CERT) Certification, 2008
Saint Louis University's Men's Soccer Team- 12th Man Award, 2007
Alan Robinson Award for Outstanding Doctoral Dissertation-Finalist, 2004
James McKeen Cattell Award for Outstanding Doctoral Dissertation in Psychology, Nomination-2004
Certified School Psychologist- 2002

APPLIED SPORT PSYCHOLOGY EXPERIENCE

MIAMI DOLPHINS-Miami, FL, 1/15 to present

Director, Performance Psychology

Deliver a world leading performance psychology service with innovative, collaborative, and strategic resources that is immersed and proactive across all aspects of the organization and positively contribute to the optimization of the entire organization's performance on and off the field. Provide psychological and human system expertise to the Head Coach, General Manager, and Vice President as well as their staffs within a variety of responsibilities including talent acquisition, talent management, and education, as well as provide insights so they can process and generate well informed solutions when managing talent and organizational demands.

UNIVERSITY OF MICHIGAN ATHLETIC DEPARTMENT- Ann Arbor, MI, 10/14 to 3/18

Director of Performance Psychology Center

Administer individual and group counseling to the student-athletes, provide crisis intervention, construct and implement treatment plans incorporating various cognitive behavioral techniques, supply therapeutic services to the sports medicine and rehabilitation division, develop and implement department wide mental health programming, develop and execute institutional policies and procedures, meet with teams weekly providing a series of motivational, mental training, and peak performance techniques, attend practices and games on a weekly basis, and provide psychological insights to the coaching staffs as requested.

ATHLETIC INTELLIGENCE MEASURES (AIM)- Tucson, AZ, 1/12 to present

www.athleticintel.com

Proprietor

Created the Athletic Intelligence Quotient (AIQ), a pre-employment screening tool intended to assess the innate cognitive abilities that are most utilized in attaining, developing, and applying athletic skills, strategies, and tactics. The AIQ provides quantifiable data regarding the athlete's sport-performance specific intellectual abilities, just as the 40 yard dash quantifies speed and the number of squat reps quantifies strength.

UNIVERSITY OF ARIZONA ATHLETIC DEPARTMENT- Tucson, AZ, 3/07 to 10/14

Director of Clinical and Sport Psychology

administer individual and group counseling to the student-athletes, provide crisis intervention, construct and implement treatment plans incorporating various cognitive behavioral techniques, supply therapeutic services to the sports medicine and rehabilitation division, develop and implement department wide mental health programming, develop and execute institutional policies and procedures, meet with teams weekly providing a series of motivational, mental training, and peak performance techniques, attend practices and games on a weekly basis, and provide psychological insights to the coaching staffs as requested.

SAINT LOUIS UNIVERSITY ATHLETIC DEPARTMENT-Saint Louis, MO, 2/05 to 3/07

Applied Sport Psychologist

Meet with teams weekly providing a series of mental training techniques, namely, imagery, thought stoppage, group cohesion, goal setting, arousal regulation, attentional focus, assertiveness training, pain tolerance, myth busting of slumps/streaks/winning, and communication styles. Sessions are both instructional and interactive. Attend practices and games on a weekly basis and implement motivational techniques and psychological insights to the coaching staffs as requested. Provide clinical therapy as well as performance enhancing techniques to athletes who sought individual attention. Supply adjunctive therapeutic services to the sports medicine and rehabilitation division.

BRUNSWICK PSYCHIATRIC AND PHYSICAL REHABILITATION CENTER- Amityville, NY, 8/02 to 12/02

Staff Therapist

Supervised by Dr. Dan Boyle. Administer individual and group counseling, construct and implement therapeutic interventions incorporating various cognitive behavioral techniques, specifically treatments designed to manage discomfort, increase pain tolerance, and process secondary psychological difficulties (such as depression and anxiety) during the rehabilitation process, developed and charted progress notes, and execute institutional policies and procedures.

MAJOR LEAGUE SOCCER CLINICS-Seaford, NY

Trainer/Coach

Developed and administered individual skills training, team tactics and strategies, and psychological techniques to competitive youth athletes.

SPORT PSYCHOLOGY TEACHING EXPERIENCE

UNIVERSITY OF ARIZONA SPORTS MEDICINE FELLOWSHIP PROGRAM - Tucson, AZ, 3/07 to 10/14

Adjunct Faculty of Applied Sport Psychology

Educated fellows on the history, theory, and application of Applied Sport Psychology. Provided lectures, supervision, and direct patient care.

NATIONAL UNIVERSITY- La Jolla, CA, 11/09 to present

Adjunct Faculty of Applied Sport Psychology

Taught online undergraduate students on the history, theory, and application of Sport Psychology.

LOGAN COLLEGE SPORTS SCIENCE AND REHABILITATION MASTER'S PROGRAM- Saint Louis, MO, 11/06 to 1/11

Adjunct Faculty of Applied Sport Psychology

Developed curriculum to educate graduate students on the history, theory, and application of Sport Psychology. Additionally, formatted the curriculum for on-line and correspondence learning.

SAINT LOUIS UNIVERSITY PRIMARY CARE SPORTS MEDICINE FELLOWSHIP PROGRAM- Saint Louis, MO, 7/04 to 3/07

Adjunct Faculty of Applied Sport Psychology

Educated fellows on the history, theory, and application of Applied Sport Psychology. Provided lectures, supervision, and direct patient care.

SPORT PSYCHOLOGY PROFESSIONAL SOCIETIES AND COMMITTEES

University of Michigan Exercise & Sport Science Scientific Advisory Committee, 2017 to present
National Collegiate Athletic Association (NCAA) Mental Health Task Force Member, 2013 to present
National Football League (NFL) and National Collegiate Athletic Association (NCAA) Think Tank Member, 2013 to present

Association for the Advancement of Sport Psychology (AASP) Science to Practice Committee Member, 2016 to present

Step UP!: A Bystander Intervention Program, Founding Member, 2007 to present

Member-At-Large for the Executive Committee of American Psychological Association's Division 47 (Exercise and Sport Psychology), 2013 to 2016

Public Interest Committee Chair of American Psychological Association's Division 47 (Exercise and Sport Psychology), 2010 to 2013

Program Committee Member of American Psychological Association's Division 47 (Exercise and Sport Psychology), 2010 to 2016

American Psychological Association Division 47, Exercise and Sport Psychology-2005 to present

Association for the Advancement of Applied Sport Psychology- 2003 to present

Steering Committee for Big Sky Sport Psychology Retreat- 2007 to present

Resource Librarian for Big Sky Sport Psychology Group-2007 to 2010
